Q And were you in the neighborhood of Derussey's Lane or the Phillips' farm on the morning of September 14th, 1922?

A Yes, sir.

Q About what time did you go there?

MR. PFEIFFER: You said 14th, Senator. You mean the 15th.

Q (By Senator Simpson.) The 16th, 1922, the day these bodies were found. A. Yes, sir.

Q What day of the week was that? A. Saturday.

Q And did you go there to this field from your home?

A No, sir.

Q Were you alone when you went there? A. No, sir.

Q Who accompanied you? A. Pearl Baimer.

Q Where had you met Pearl Baimer?

A College Avenue and Hamilton Street.

Q How far is that from the place where these bodies were found?

A About two miles or more.

Q Do you remember what time you had met Pearl Baimer?

A Between half past seven and eight.

Q And had you met her by appointment, -half past seven and eight in the morning? A. It was.

Q Daylight saving or standard time?

A I couldn't say which one.

Q Well, when you met her where did you go with her?

A Out College Avenue to Derussey's Lane.

105,2024 P2

Q Was there any ~~xxx~~ crab apple tree around there?

A Yes, sir.

Q How near did they lie to the crab apple tree?

A Well, fifteen feet, if I am not mistaken.

Q Just look at this picture and see if you can tell whether it is a correct representation of the place where the bodies was found as of the time you found them, and whether the bags in that picture are in the positions these bodies were when you found them.

MR. RFEIFFER: May I ask Senator Simpson to let us know when the picture was taken?

MR. SIMPSON: I don't know, it was sold in New Brunswick. One of the ~~xxxxxx~~ investigators says it was sold in New Brunswick for twenty five cents apiece. Of course, under Turess V. Susquehanna all that is necessary to do is to have him say it is a correct picture.

105.2024 p3

MR. PFEIFFER: If that is for the purpose of showing a picture of the scene without reference to the bags placed there--

Q Well, I asked him whether the bodies were in the position the bags were.

MR. PFEIFFER: We don't want to be bound by somebody placing bags. Probably some man taking this picture put them in that location so that they would show up. We don't want to be bound by that.

Q Look at the picture and see whether you can say whether that is a correct picture of the physical situation, and whether the bags are in the position you found the bodies. Just say, if you can say that. I ask you to look at the picture. A. This scene does not seem to be correct.

Q That is not a correct picture then, that you know of?

A No, sir.

Q You would say that is not a correct picture?

A No, sir.

A If I am not mistaken, one arm was under one of the heads,
I don't know which one it was.

Q How about the lady's head?

A A scarf was around her face.

Q Her face was wrapped up in a scarf? A. Yes, sir.

A The young lady went with me.
